RE: Viterra USA LLC  
Discontinue Business – Crystal, North Dakota

On August 10, 2017, the Commission received a Request to Discontinue Business from Viterra USA LLC for its grain warehouse at Crystal, North Dakota that was leased from O'Toole Seed Co. Viterra USA LLC notified the Commission business is no longer conducted at this facility effective August 1, 2017. The warehouse is empty and there are no outstanding storage obligations.

O'Toole Seed Co. is in the process of applying for a grain warehouse license to operate the facility and receive beans on behalf of Columbia Grain, Inc.

I recommend the request be approved. A corresponding motion and order are attached.
