RE: Discontinue Business
Scoular Canada, Ltd. – Garske, Grafton, and Hamilton, ND

The Commission received a Request to Discontinue Business from Scoular Canada, Ltd., Saskatoon, SK, for its licensed grain warehouse facilities at Garske, Grafton, and Hamilton, North Dakota. There are no outstanding storage obligations at this facility.

In November 2015, the Commission issued grain warehouses licenses to Scoular Canada, Ltd. for facilities in Garske, Grafton, and Hamilton. Scoular Canada, Ltd. is owned by The Scoular Company. The Scoular Company has filed license applications to operate the Garske and Grafton facilities. The Hamilton facility was a leased facility and is no longer being leased.

I recommend the request be approved. A corresponding motion and order are attached.
