Case No. PU-16-539

NOTICE OF FILING AND PUBLIC HEARING

August 24, 2016

A public hearing on the application in Case No. PU-16-539 is scheduled for **September 27, 2016, at 9:00 a.m. Central Time, at Vangstad Auditorium, Valley City State University, 101 College Street SW, Valley City, North Dakota 58072.**

On July 19, 2016, Glacier Ridge Wind Farm, LLC (Glacier) filed an application for a certificate of site compatibility concerning the proposed 300.15 megawatt Glacier Ridge Wind Farm, consisting of up to 87 wind turbine generators and associated facilities to be located in Barnes County, North Dakota, as shown on the attached map.

The issues to be considered in the application for a certificate of site compatibility are:

1. Will the location and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota, 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify the Commission at least 24 hours in advance.
