Re: Glacier Ridge Wind Farm Application for Certificate of Site Compatibility, Case No. PU-16-539

Dear Mr. Nitschke:

Attached please find additional information to be added to the docket for Case No. PU-16-539:

- SHPO concurrence on archeology report, dated 8/23/16
- NDDoH response letter

We request that these items be added to the case docket. A hard copy of each item will be sent to your office as well.

Please do not hesitate to contact me with any questions at 512-213-8501 or anne-marie.griger@res-group.com.

Sincerely,

Anne-Marie Griger
Permitting Specialist

ND SHPO REF: 16-1190 ND PSC PU-15-690 "Class III Cultural Resource Inventory
Glacier Ridge Wind Farm, Barnes County, North Dakota"

Dear Mr. Holven,

We reviewed ND SHPO REF: 16-1190 ND PSC PU-15-690 "Class III Cultural Resource
Inventory Glacier Ridge Wind Farm, Barnes County, North Dakota," and find this report
acceptable. There has been a good faith effort to identify and avoid impacts to
"Significant Sites," provided the project remains as described in this report dated
August 16, 2016. Also sites 32BA293 and 32BA294 must be avoided by the project.

Thank you for the opportunity to review. If you have any questions please contact Paul Picha,
Chief Archaeologist (701) 328-3574 or Susan Quinnell, Review and Compliance
Coordinator at (701) 328-3576, e-mail squinnell@nd.gov

Sincerely,

Claudia J. Berg
Director State Historical Society of North Dakota
