Re: Glacier Ridge Wind Farm Application for Certificate of Site Compatibility, **Case No. PU-16-539**

Dear Mr. Nitschke:

Attached please find late-filed exhibits to be added to the docket for Case No. PU-16-539:

- Exhibit No. 28 – description of remote operation/monitoring
- Exhibit No. 31 – economic benefit calculation
- Exhibit No. 34 – signed certification

Exhibit No.	Description	Status
28	Description of how RES handles the remote operation/monitoring	Submitted 10/07/16
29	Map revision (revised Exhibit 2a)	Underway; anticipated to be complete by 10/14/16
30	Description of RES construction practices that ensure topsoil will be handled appropriately per the certification and if the Commission gives approval to remove after freezing conditions.	Underway; anticipated to be complete by 10/11/16
31	Economic benefit calculation	Submitted 10/07/16
32	Prime farmland percentage	Underway; anticipated to be complete by 10/14/16
33	Nearest turbine to non-participating parcel	Underway; anticipated to be complete by 10/14/16
34	Certification	Submitted 10/07/16
35	Radar-activated lighting	Underway; anticipated to be complete by 10/11/16

Seven hard copies of each document will be sent via mail. Please do not hesitate to contact me with any questions at 512-213-8501 or anne-marie.griger@res-group.com.

Sincerely,

Anne-Marie Griger
Permitting Specialist
