Re: Glacier Ridge Wind Farm Application for Certificate of Site Compatibility, **Case No. PU-16-539**

Dear Mr. Nitschke:

Attached please find revised late-filed exhibits to be added to the docket for Case No. PU-16-539:

- Revised Exhibit No. 28 - SCADA system description
- Revised Exhibit No. 29 - Map and land status
- Revised Exhibit No. 33 - Nearest turbine to non-participating parcels and residences
- Revised Exhibit No. 35 - Radar-activated lighting

Seven hard copies of each document will be sent via mail as well. Please replace the old exhibits 28, 29, 33, and 35.

Please do not hesitate to contact me with any questions at 512-213-8501 or anne-marie.griger@res-group.com.

Sincerely,
