RE: Roving Grain Buyer License
Dakota AgSynergy LLC

Dakota AgSynergy LLC, Linton, North Dakota, filed a license application to operate as a roving grain buyer in North Dakota. Dakota AgSynergy LLC was established in 2016 and was created to provide logistical services and value added processing to connect grain products with end users. Dakota AgSynergy LLC projects it will purchase 100,000 bushels of grain annually in North Dakota and filed a \$50,000 surety bond.

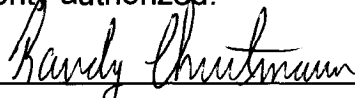

Brandon Sehn notified the Commission that Dakota AgSynergy LLC is comprised of two members, Brandon Sehn and another individual. Dakota AgSynergy LLC purchased one truckload of grain from Sehn Farms and Seed Inc. which is a farming corporation which Brandon Sehn is the sole owner of.

Dakota AgSynergy LLC asked that the license application be approved as soon as possible. Statutory compliance has been met and Staff recommends that the license be issued to Dakota AgSynergy LLC effective immediately and that this action be noticed on the Commission's Agenda.

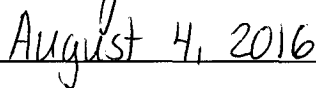

Please sign and date this request which is temporarily approved until the Commission issues an Order on the matter at a subsequent Commission Meeting.

Temporary authority authorized.
