Dear Mr. Steffen:

The Reclamation Division has reviewed Coyote Creek Mining Company, LLC's letter dated November 1, 2016 regarding completion of the required remedial actions for Notice of Violation (NOV) 1601 issued on July 21, 2016. In addition, Reclamation Division staff inspected completion of remedial action items on November 2 and 15, 2016 and are satisfied that the required remedial action measures have been satisfactorily completed. We have determined that the completed remedial actions are adequate to terminate NOV-1601. The termination notice is enclosed.

If you have any questions, please contact this office.

Sincerely,

James R. Deutsch
