

PUBLIC SERVICE COMMISSION
STATE OF NORTH DAKOTA

MEMORANDUM

TO: Commissioners Fedorchak, Christmann, and Kalk
Darrell Nitschke
Legal Division

FROM: Sue Richter - Licensing Division Director 

DATE: August 3, 2016

RE: Expiration of License and Automatic Discontinuance of Business
BP & Sons Grain and Storage, Inc. – Roving Grain Buyer

North Dakota Century Code section 60-02.1-07.1 provides that an annual roving grain buyer license obtained from the Commission expires on July 31 of each year. North Dakota Administrative Code section 69-07-02-03 provides that an application not received in a timely manner will result in the automatic discontinuance of business on August first.

In late May 2016, the Commission mailed a roving grain buyer license renewal application to BP & Sons Grain and Storage, Inc.

In early July 2016, the Commission electronically mailed a reminder to BP & Sons Grain and Storage, Inc. that a license renewal application had not been received.

A license renewal application was not timely filed as provided in North Dakota Administrative Code section 69-07-02-03.

Staff recommends the Commission adopt an order acknowledging the expiration of roving grain buyer license number 3208 on July 31, 2016 and automatic discontinuance of business on August 1, 2016 of BP & Sons Grain and Storage, Inc. for failing to file its license renewal application in a timely manner. A corresponding motion and order are attached.
