RE: **WRT TARIFF Filing Error** Section 12.10 Rates and Charges

Dear Mr. Nitschke:

The recent filing of Section 12.10 that West River Telecommunications Cooperative submitted to the NDPSC was in error.

Due to new employment within the company there has been a miscommunication on the filing of our Tariff Section 12.10.

Section 12.10 is an internal working document and has not been part of our published local tariff.

We are requesting this filing to be removed from the NDPSC's system.

Please contact me if you have any questions about this filing.

Sincerely,

Lexi Braun
Executive Assistant
