RE: Roving Grain Buyer License Application

Hansen-Mueller Co. of Omaha, Nebraska, filed a license application to operate as a roving grain buyer in North Dakota. Hanson-Mueller Co. is a foreign business corporation originated in Nebraska and is registered and in good standing with the North Dakota Secretary of State.

Hansen-Mueller Co. began as a commodity trading company and expanded into country elevator operations, feed grain processing, and bulk commodity logistics. Hansen-Mueller Co. projects it will purchase 500,000 bushels of grain annually in North Dakota and filed a corresponding \$250,000 surety bond.

Hansen-Mueller Co. notified the Commission it has not transacted business as a roving grain buyer in North Dakota. Statutory compliance has been met and Staff recommends a roving grain buyer license be issued to Hansen-Mueller Co. A Motion and Order are attached.
