PUBLIC SERVICE COMMISSION**

**Northern States Power Company  
230 kV Transmission Line – Ward & McHenry Counties  
Public Convenience and Necessity**

**Case No. PU-16-644**

**NOTICE OF OPPORTUNITY FOR HEARING**

**October 5, 2016**

On September 15, 2016, Northern States Power Company (NSP dba Xcel Energy) filed an application for a certificate of public convenience and necessity to construct a Minot Load Serving Project consisting of a new Magic City Substation and approximately 20 miles of new 230 kV transmission line between the new substation and Great River Energy's existing McHenry Substation, all in Ward and McHenry Counties of North Dakota. The issues to be considered in this matter are:

1. Whether public convenience and necessity will be served by construction and operation of the facilities.
2. Whether the applicant is fit, willing, and able to provide service.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceedings and the reasons for requesting a hearing. Comments and requests for hearing must be received by **November 14, 2016**. If deemed appropriate, the Commission can determine the matter without a hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400 or Relay North Dakota 1-800-366-6888 TTY.
