RE: Facility-Based Grain Buyer License – Gwinner, ND  
CHS, Inc.

CHS, Inc. of St. Paul, Minnesota, filed a license application to operate as a facility-based grain buyer at Gwinner, North Dakota.

This brand new facility is a 196-acre campus with a state-of-the-art grain loading facility served by a 120-rail car loop with a 3,800-foot spur track. This location is a grain shuttle loading facility with 2.4 million bushel storage and a dry fertilizer hub plant.

Statutory compliance has been met and Staff recommends that the request be approved.

A corresponding motion and order are attached.
