NOTICE OF OPPORTUNITY FOR COMMENT

November 8, 2016

Griggs County Telephone Co. (Griggs) entered into an interconnection agreement with Midcontinent Communications, a South Dakota Partnership (Midcontinent) pursuant to Section 251 of the Telecommunications Act of 1996 (Act). The agreement sets forth terms and conditions under which Griggs will provide network interconnection services for the exchange of local traffic, number portability, and ancillary services to Midcontinent in the Cooperstown, North Dakota exchange. The agreement was filed with the Commission on November 2, 2016.

This agreement was filed under Section 252(e) of the Telecommunications Act of 1996. The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Griggs and Midcontinent request approval of the interconnection agreement at the earliest possible date and in less than 90 days.

Under 47 U.S.C. § 252(e)(2)(A), the Commission may only reject an agreement adopted by negotiation (or a portion of the agreement) if it finds that:

1. the agreement discriminates against a telecommunications carrier that was not a party to the agreement; or
2. implementation of the agreement is not consistent with the public interest, convenience, and necessity.

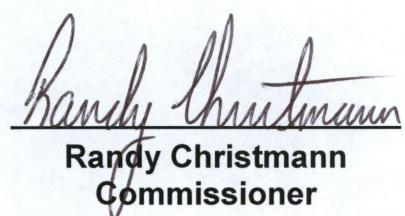

In addition, under 47 U.S.C. Section 253 the Commission may include, in its review, state requirements that do not constitute barriers to entry.

The Commission will receive written comments on this agreement until December 13, 2016.
