RE: PSC Case No. PU-16-695
Tree and Shrub Mitigation Plan

Mr. Kahl:

Please accept the attached Tree & Shrub Mitigation Plan for the Targa Badlands Johnsons Corner to Alexander Crude Oil Pipeline and Storage Tank Facilities located in McKenzie County North Dakota. An electronic file is also being submitted to you for inclusion in the file.

Please contact me at dmcquade@targaresources.com or at 713-584-1420 if you have any questions or need addition information. Targa Badlands appreciates your attention to this submittal.

Regards;

David McQuade
Sr. Director Environmental
