RE: Roving Grain Buyer License Application

East Central Grain Marketing, Inc. of Minnetonka, Minnesota, filed a license application to operate as a roving grain buyer in North Dakota. East Central Grain Marketing, Inc. is acting as a broker in North Dakota and filed a \$50,000 surety bond.

East Central Grain Marketing, Inc. has not transacted business as a roving grain buyer in North Dakota. Statutory compliance has been met and Staff recommends a roving grain buyer license be issued to East Central Grain Marketing, Inc. A corresponding Motion and Order are attached.
