Dear Mr. Sederquist:

The Commission received your letter requesting a 30-day extension to file revised decommissioning plans for Border Winds and Courtenay wind energy conversion facilities. On July 9, 2018, the Commission discussed your request during the administrative portion of its regular meeting and asked me to respond to you.

The Commission has considered your request and agrees to extend the deadline to August 1, 2018.

Thank you for your attention to this matter.

Best Regards,

John Schuh
