Dear Bill:

Daniel Stenberg
Watford City

We have reviewed project correspondence and document NDSHPO REF.: 17-0221C PSC PU-17-48 "Addendum 2 to A Class I and Class III Cultural Resource Inventory for the Arrow NB Residue Gas Pipeline and Arrow Bakken NGL Pipeline Project, McKenzie County, North Dakota for Proposed Alignment Reroute," by William Harding (SWCA, January 2017) and find it acceptable. There has been a good faith effort to identify and avoid impacts to "Significant Sites," provided this project remains as described and mapped in this report dated August 11, 2017.
