Project: Arrow Field Services, LLC
10-Inch & 8-Inch NGL Pipeline Project – McKenzie County
Case No.: PU-17-48

The Commission's June 30, 2017, Order on Recommended Findings of Fact, Conclusions of Law and Order in Case No. PU-17-48 issued Certificate of Corridor Compatibility No. 199 and Route Permit No. 210 to Arrow Field Services, LLC (Arrow Fields) for the location of a 2.6 miles of natural gas liquids pipeline in McKenzie County North Dakota.

Reclamation and Revegetation

On September 12, 2019, the Commission's third-party inspector filed with the Commission a Reclamation and Vegetation Report. The Report may be viewed at <https://psc.nd.gov/database/documents/17-0048/057-010.pdf>.

Page 1 of the report mentions one location where the vegetation was not as well established as the other areas and because of that, there are signs of soil erosion.

Commission Staff asks that Arrow Fields respond in writing to the Commission stating actions that have or will be taken to resolve the concerns noted in the Reclamation and Vegetation Report by January 28, 2022.

Please feel free to contact me with any questions.
