Subject: Min-Kota

CAUTION: This email originated from an outside source. Do not click links or open attachments unless you know they are safe.

Geri we would like to rescind the original documents for Minn-Kota Ag. Products new Elevator near Wyndmere, soil boring tests make this site unusable for them to build on. We have since met with them and resigned docs to move the site 2.5 miles east of Barney ND map and docs have been sent in an earlier Email.

Thanks you for your time on this manner.
