Approval**

**Case No. RC-17-78**

I move the Commission approve Revision No. 33 to Surface Coal Mining Permit No. NACT-9101, held by The Coteau Properties Company for the Freedom Mine, to identify the next five-year coal removal areas and to update mining and reclamation plans for the next permit term. This revision also adds approximately 478 acres of land currently in Permit NACT-9001 to the permit and converts the permit to an electronic format.
