RE: Roving Grain Buyer License Application

Delmar Commodities Ltd. of Winkler, Manitoba filed a license application to operate as a roving grain buyer in North Dakota. Delmar Commodities Ltd. projects it will purchase 1,750,000 bushels of grain annually and filed a \$500,000 surety bond.

Delmar Commodities Ltd. has not transacted business as a roving grain buyer in North Dakota. Statutory compliance has been met and Staff recommends a roving grain buyer license be issued to Delmar Commodities Ltd. A corresponding Motion and Order are attached.
