Hi Kelsey,

Mountrail County does not issue conditional use permits for pipelines as this falls under the jurisdiction of the Public Service Commission. We have received a courtesy copy of the application and will submit comments if there are any concerns to the PSC.

Subject: Cenex Pipeline - Conditional Use Permit

Good morning Lisa,

I had talked to you yesterday on the phone regarding obtaining a conditional use permit from

Mountrail County for the Cenex Pipeline project.

Just wanting to again verify that your County doesn't require a conditional/special use permit for pipelines and that you defer this to the PSC?

Thank you,

Kelsey Erickson NP
