Cenex Pipeline, LLC - Case No. PU-17-097
10-Inch Refined Fuels Pipeline in Williams,
Mountrail and Ward Counties, North Dakota
Our File No. 020836-000001

Dear Mr. Nitschke:

On July 5, 2017, the Laborers District Council of Minnesota and North Dakota ("Laborers Union") filed a Petition to Intervene pursuant to N.D. Admin. Code § 69-02-02-05 in the above-referenced matter. Docket No. 37. According to the Petition to Intervene, Laborers Union seeks intervention as a party in support of Cenex Pipeline LLC's ("Cenex") application for a certificate of corridor compatibility and a route permit concerning the location of an approximately 149.7 mile 10-inch refined petroleum products pipeline and associated facilities in Williams, Mountrail, and Ward Counties, North Dakota (the "Project").

At this time, the justification of the Laborers Union for intervention appears to align with the goals of Cenex and the Project. Therefore, Cenex has no objection to the intervention of Laborers Union as a party to this action, so long as the Laborers Union continues to support the Project.

Very truly yours,

Casey Furey
