RE: Case No. PU-17-97, Cenex Pipeline, LLC, 10" Refined Fuels Pipeline,
Williams, Mountrail, Ward Counties

On September 15, 2020, Cenex Pipeline, LLC (Cenex) filed with the North Dakota Public Service Commission a combined application to amend the corridor and route designated by the Commission in Case No. PU-17-97, see Case No. PU-20-399. In the application, Cenex informs the Commission that, during construction, a length of 742 feet of pipeline deviated from the designated route and the adjusted route is outside the designated corridor. The location of the adjustment is Township 155N, Range 89W, Section 29, Mountrail County.

Commission records indicate Cenex did not file, with the Commission, certifications and supporting documentation required under NDCC 49-22.1-15 before conducting construction activities associated with the route adjustment

If, in answer to this Notice, Cenex wishes to supplement the information provided in the Application in Case No. PU-20-399, the supplemental information must be filed by October 12, 2020.
