RE: Roving Grain Buyer License – Temporary Approval  
Jaco Commodities, LLC

Jaco Commodities, LLC of Maurice, Iowa, filed a license application to operate as a roving grain buyer in North Dakota. The license applicant projects its annual grain purchase volume in North Dakota will be 50,000 bushels and filed the required \$50,000 surety bond.

Jaco Commodities, LLC notified the Commission it has not transacted business as a roving grain buyer in North Dakota. It would like to begin doing business in North Dakota and asked that its license application be approved as soon as possible.

Statutory compliance has been met and Staff recommends a roving grain buyer license be issued to Jaco Commodities, LLC. Please sign and date this request which is temporarily approved until the Commission issues an Order on the matter at a subsequent Commission Meeting.

Temporary authority authorized.

Commissioner Randy Christmann
