RE: Roving Grain Buyer License Application

FBN CM LLC of San Carlos, California, filed a license application to operate as a roving grain buyer in North Dakota. FBN CM LLC projects it will purchase 100,000 bushels of grain annually in North Dakota and filed a \$50,000 surety bond.

FBN CM LLC notified the Commission it has not transacted business as a roving grain buyer in North Dakota. Statutory compliance has been met and Staff recommends a roving grain buyer license be issued to FBN CM LLC. A corresponding Motion and Order are attached.
