RE: Roving Grain Buyer License Application

Midwest AgEnergy Group, LLC of Underwood, North Dakota, filed a license application to operate as a roving grain buyer in North Dakota. Midwest AgEnergy Group, LLC projects it will purchase 8,000,000 bushels of grain annually in North Dakota and filed a \$1,750,000 surety bond.

Midwest AgEnergy Group, LLC notified the Commission it has not transacted business as a roving grain buyer in North Dakota. Statutory compliance has been met and Staff recommends a roving grain buyer license be issued to Midwest AgEnergy Group, LLC. A corresponding Motion and Order are attached.
