Re: April 27, 2017 NOPV: Case No. GS-17-171

Dear Mr. Scobel:

On July 20, 2017, Caliber North Dakota LLC (Caliber) filed a response to the April 27, 2017 NOPV.

In the response, Caliber stated that the former Ponderosa Class 3 Regulated Gas Gathering Segment has been reclassified to Class 1 Non-Regulated Gathering due to the removal of the Ponderosa Temporary Workers Camp and the associated living units. Caliber has also provided photographic documentation of the Camps removal.

Upon review of the evidence provided, I am writing to confirm that Caliber's response to the April, 27, 2017 Probable Violation No. 2 NOPV is adequate and no further response is required.

Thank you for your response to this issue.

Sincerely,

Craig Reamann, Manager
Gas Pipeline Safety
