RE: Roving Grain Buyer License Application

West Plains, LLC of Omaha, Nebraska, filed a license application to operate as a roving grain buyer in North Dakota. West Plains, LLC projects it will purchase 200,000 bushels of grain annually in North Dakota and filed a \$125,000 surety bond.

West Plains, LLC notified the Commission it has not transacted business as a roving grain buyer in North Dakota. Statutory compliance has been met and Staff recommends a roving grain buyer license be issued to West Plains, LLC. A corresponding Motion and Order are attached.
