Minutes:

The Company called three witnesses as noted above. Mr. Casey discussed the Company and the project in general terms. Mr. Killion discussed the Company's emergency response plan, permitting, construction and operation issues. Ms. Schmidt provided information on the environmental and cultural studies that were done as well as addressed some of the permitting issues. The Commissioners, Administrative Law Judge, Special Assistant Attorney General and Ms. Cardwell asked questions to further clarify the Company's filing. Mr. Ehlert testified to the fact that there are experienced workers in the state that can meet the needs of the Company.
