Case No. PU-17-181

I move the Commission approve an allowance for burial of underground utility lines (e.g., electrical lines) of less than 48 inches from the top of the lines as requested in the August 9, 2017 filing of Oasis Midstream Services LLC, docket number 45. The 48 inch depth of cover would still apply to natural gas and oil pipelines, in Oasis Midstream Services LLC, Wild Basin Gas Plant – McKenzie County, Siting Application, Case No. PU-17-181.
