Authorized By (Name of Commissioner)				

Extension must be made from most economical point of service.

Comments:

This service is for a cold storage building for Dean Glaseman. He wants power to install lights in building. We anticipate minimum load here. Contact has been made with Gary Hulm line superintendent with KEM electric and they have released Glaseman property to be served by MDU. Mr. Glaseman's property borders the west edge of Lehr city limits.

Accuracy: 0%

REC approximately 1/2 mile to the north
