On May 25, 2017, Montana-Dakota Utilities Co., a Division of MDU Resources Group, Inc. (MDU) and Roughrider Electric Cooperative, Inc. (Roughrider) filed a joint application for approval of a Service Area Agreement to establish service areas and designate service locations to be served by MDU and Roughrider within and around the City of Beulah, North Dakota. MDU further requests issuance of a certificate of public convenience and necessity authorizing it to extend service to locations within the MDU service area set forth in the agreement.

Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by July 31, 2017.** If deemed appropriate, the Commission can determine the matter without a hearing.
