Re: Otter Tail Power Company

Case No. PU-17-238

Dear Mr. Nitschke:

As advocacy staff for the above captioned case, I engaged in *ex parte* communication between myself and the Public Service Commissioners individually. On or about December 1, 2017 I discussed this case with each of the three Commissioners separately. At the time I believed that I was advisory staff, when in fact I was advocacy staff.

Thank you for your assistance in this matter. If you have any questions, please contact me.

Best regards,

Victor Schock
Public Utility Analyst
