Case No. PU-17-238

NOTICE OF OPPORTUNITY FOR HEARING

December 20, 2017

On May 30, 2017, Otter Tail Power Company (OTP) filed an application to implement an Economic Development Tariff. The proposed tariff would be applicable to any new or expanding large customers who meet the requirements stated in the tariff with a discount on the standard applicable rate schedule for up to 5 years

On November 27, 2017 OTP filed revised tariff language.

The issues to be considered in this proceeding are:

1. Are the proposed tariff additions and changes reasonable?
2. Are OTP's proposed rate schedules designed in such a manner that they result in a basis of charge to its customers that is just and reasonable without undue discrimination?
3. Other relevant information or proposals concerning the proceeding.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by January 24, 2018.** If deemed appropriate, the Commission can determine the matter without a hearing.
