Request To:

Operate a truck scale that deviates from North Dakota Weights and Measures rules as follows:

- 1) Less clearance (31 3/4") than required (48") between the finished floor and the "I" beam.

Temporary Variance Permit Conditions:

- After the initial placing in service test, the scale must be retested and adjusted, if necessary, by a registered service company to maintain acceptance tolerance **every six months.**
- The registered service company test report must be submitted to the Commission within seven working days of the test date and a copy retained by CAT Scale Company (Stamart Travel Center).
- The service company test reports must include both the "as found" and "as left" readings in addition to any maintenance notes.
- Except for the specific variance granted by Permit Number 519 and the variance issued on March 6, 1997, the scale must be operated according to all applicable North Dakota Laws and Rules.
- The enclosed Temporary Variance Permit and the variance issued on March 6, 1997 must be posted near the scale in a place clearly visible to the public.
- Failure to comply with the variance permit conditions may result in revocation.

Generate an Annual Report To File

To Generate a Annual Report form to be filed with the Secretary of State, select the appropriate year of the report you intend to file. This report does not contain details of a report previously filed with the Secretary of State. The annual report years reflected are an indication of the various report forms available in this site and is not an indication that an entity needs to file reports for all years. Missing years indicate that the forms for the missing year have not yet been deployed to the website, or have already been removed, and can be obtained by contacting the Secretary of State.
