Re: Mid America Steel, Inc.
Rail Clearance Variance
Case No. RR-17-260

Dear Mr. Crockford,

Thank you for contacting me regarding the above-referenced request for a rail clearance variance by Mid America Steel, Inc. in Fargo. SMART-Transportation Division is not opposed to the granting of this variance as our members are not allowed to ride on the tops of cars, and it will not impact our safety.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Jim Chase".
