

November 13, 2017

Mr. Darrell Nitschke  
Executive Director  
NORTH DAKOTA PUBLIC SERVICE COMMISSION  
600 E. Boulevard Avenue, Dept. 408  
Bismarck, ND 58505-0480

RE: Case No. PU-17-284  
Foxtail Wind, LLC, Application for Certificate of Site Compatibility for the 150 MW Foxtail  
Wind Energy Center in Dickey County, North Dakota

To whom it may concern:

On behalf of the City of Kulm, ND, I would like to extend my support for the construction of  
the Foxtail Wind farm south of Kulm.

In 2003, Kulm became the location of the first two wind farms in North Dakota. Our town  
has benefitted immensely from that opportunity, most notably through the strong school  
system the farms have helped to build and continue to contribute to through special  
projects. NextEra Energy was a considerate partner in that development, and I know their  
strong leadership and community-mindedness will play an important role in the Foxtail  
project they are developing with Xcel Energy.

Kulm will continue to support a strong, comprehensive energy portfolio that takes  
advantage of the diverse resources of our state, such as the Foxtail Wind Project.

Sincerely,

A handwritten signature in blue ink that reads "Anthony Buerkley". The signature is fluid and cursive, with a large loop at the end of the last name.

Anthony Buerkley  
Mayor,  
Kulm, ND
