Bismarck, ND 58505-0480

RE: AS-BUILT GIS DATA SUBMITTAL - FOXTAIL WIND ENERGY CENTER  
CASE NO. PU-17-284

Dear Mr. Kahl:

The Commission's January 31, 2018 Order in Case No. PU-17-284 issued Certificate of Site Compatibility No. 53 to Foxtail Wind, LLC. The Certificate designated a location for the construction, operation, and maintenance of the Foxtail Project in the above-referenced case. On December 6, 2018 the Commission approved the transfer of the Certificate to Northern States Power Company, doing business as Xcel Energy (Case No. PU-18-144).

Pursuant to the Certification to Order Provisions paragraph 34, attached to and made part of the Commission's January 31, 2018 Order, the Company herewith submits an electronic version of the Foxtail Wind Energy Center site approved by the Commission and the facility design specifications for the construction of the project showing the "as built" location of the facility. This electronic version can be imported into ESRI GIS mapping software.

The Company regrets its oversight of the obligation to submit this electronic version within three months of the completion of the Foxtail Project construction.

Please contact me if you have any questions about this information. Thank you.

SINCERELY,

A handwritten signature in blue ink that reads 'David H. Sederquist'.

DAVID H. SEDERQUIST  
SR. CONSULTANT, REGULATION & FINANCE
