Re: In the Matter of the Annual Report to the North Dakota Public Service Commission for Essential Telecommunications Carrier Certification for Halstad Telephone Company - SAC 389002

Case No. PU-17-294

Dear Mr. Nitschke:

Enclosed for filing in accordance with the Commission's Order of August 28, 2002, in the above-referenced proceeding, is an affidavit certifying that all federal high-cost support provided to Halstad Telephone Company was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

As supplemental information to the FCC 481 Annual Report the Company includes Exhibits provided in previous years as part of the Annual Report pursuant to sections 69-09-05-12 and 69-0905-12.1 of the North Dakota Administrative Code and Section 49-21-01.7(12) of the North Dakota Century Code and a Request to Protect Trade Secret Information on behalf of Halstad Telephone Company.

A copy of each of these documents has also been provided by email to ndpsc@nd.gov. In a separate sealed envelope, marked "Trade Secret - Private," is Halstad Telephone Company's Trade Secret Exhibit A.

Mark Forseth, being first duly sworn on oath, does hereby declare and state upon affiant's own personal knowledge as follows:

1. Affiant is employed by Halstad Telephone Company (hereinafter, the "Company"), in the position of CEO.

2. The Company is an Eligible Telecommunications Carrier ("ETC") within the meaning of Section 214(e) of the Federal Telecommunications Act of 1996 (hereinafter, the "Act"), and the Company is eligible to receive federal high-cost universal service support (hereinafter, the "Support") pursuant to Section 254(e) of the Act. The North Dakota Public Service Commission (hereinafter, the "NDPSC") has designated the Company as an ETC. The Company receives Support from two study area codes identified by USAC as 361401 and 389002.

3. Affiant is personally familiar with all of the Support received by the Company, and with how the Company uses all of Support that it receives.

4. The Company is filing this affidavit in compliance with the order of the Federal Communication Commission (hereinafter, "FCC") dated May 23, 2001, in WC Docket Number 10-90 and WC Docket Number 14-58 (FCC 01-157) (hereinafter, the "Order"), as codified in 47 C.F.R. § 54.314, which requires certification to the FCC that all federal Support was used in the preceding calendar year and will be used in the coming calendar year by carriers within each state only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, as required by Section 254(e) of the Act and 47 C.F.R. § 54.7. The Company is also filing this affidavit in compliance with the Orders of the NDPSC dated August 28, 2001, in Case No. PU-439-01-460 and dated August 28, 2002, in Case No. PU-439-02-441. This affidavit is filed to facilitate the Company's receipt of federal Support for all four quarters of 2018.

5. The Company hereby certifies that all federal high-cost support provided to Halstad Telephone Company was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended pursuant to and consistent with Section 254(e) of the Act and 47 C.F.R. § 54.7. The Company will use the Support for the following services, as designated in 47 C.F.R. Section 54.101, throughout the Company's study area: (a) voice grade access to the public switched network or its functional equivalent; (b) minutes of use for local service at no additional charge; (c) access to emergency services; and (d) toll limitation services to

qualifying low-income consumers.

Dated this 2 day of August, 2017.

ANNUAL REPORT TO THE NORTH DAKOTA PUBLIC SERVICE COMMISSION

ESSENTIAL TELECOMMUNICATIONS CARRIER CERTIFICATION

The undersigned, on behalf of the telecommunications company named below (the Company), does hereby state and certify, as follows:

1. The Company will provide service on a timely basis to requesting customers within the Company's designated service area where the Company's network already passes the potential customer's premises, and
2. The Company will provide service, within a reasonable period of time, if the potential customer is within the Company's designated service area but outside the Company's existing network coverage, if service can be provided at a reasonable cost by:
 - a. Modifying or replacing the requesting customer's equipment;
 - b. Deploying a roof-mounted antenna or other equipment;
 - c. Adjusting the nearest cell tower;
 - d. Adjusting network or customer facilities;
 - e. Reselling services from another carrier's facilities to provide service; or
 - f. Employing, leasing, or constructing an additional cell site, cell extender, repeater, or other similar equipment.
3. The Company is able to remain functional in emergency situations and has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations.
4. The Company is satisfying and will satisfy applicable consumer protection and service quality standards. (If wireless service is involved, the Company has and will comply with the Cellular Telecommunications and Internet Association's Consumer Code for wireless service. If a wireless service complies with another standard, that is explained herein.)
5. If the Company is a non-incumbent local exchange carrier, it will offer a local usage plan comparable to the one offered by the incumbent local exchange carrier in the designated service area.

6. The Company acknowledges that the North Dakota Public Service Commission (the Commission) may require it to provide equal access to long distance carriers in the event that no other eligible telecommunications carrier is providing equal access within the proposed designated service area. (If wireless carriage is involved, the Company acknowledges that the Federal Communications Commission may require the Company to provide equal access to long distance carriers in the event no other eligible telecommunications carrier is providing equal access within the designated service area.)
7. The Company has met and will meet the requirements of eligible telecommunications carrier advertising. This includes:
 - a. A full description of available services in the Company's official telephone directory, including the process to be used by customers to qualify for lifeline and link-up service.
 - b. Advertising of the availability of universal service in media of general circulation in the Company's designated service area. Availability may be advertised in newspapers, company newsletters, company or civic Internet sites, bill stuffers, direct mailings, or other means intended to convey availability throughout the designated service area.

Exhibit A Information

(Reference to Exhibit A in this document is not intended to waive any rights this company has to claim that Exhibit A contains confidential and proprietary information.)

The following information is provided in Exhibit A attached hereto and incorporated herein by reference:

1. A description of the amount of high-cost universal service support received by the Company in the prior calendar year and a description of how that support was used for the provision, maintenance, or upgrading of the Company's facilities and services. (An explanation of any changes from reports previously provided to the Commission is also included.)
2. An estimate of the amount of federal high-cost universal service support the Company anticipates receiving in the following calendar year (the calendar year following this report) and a description of how that support is projected to be used for the provision, maintenance, or upgrading of the Company's facilities and services pursuant to Section 254 of the Telecommunications Act of 1996.
3. Exhibit A also contains, for the prior calendar year and the subsequent calendar year (the calendar year following this report), identification of specific construction or upgrade projects; a description of how service will be improved by each project; the start date and completion date for each improvement; the amount of investment for cash improvement; the specific geographic area where each improvement was made or will be made; and the estimated population that will be served by each improvement. (For an incumbent local exchange carrier (ILEC), this information is submitted at the study area level. For another eligible carrier, this information is submitted at the study area level of the ILEC. If a study area level or designated service area includes geographic areas in more than one state, the information is also submitted at the North Dakota level.)

4. Detailed information of any outage, as that term is defined in 47 C.F.R. § 4.5, of at least thirty (30) minutes in duration for each designated service area for any facilities the Company owns, operates, leases, or otherwise utilizes that potentially affect:
 - a. At least ten percent (10%) of the end users served in a designated service area, or
 - b. A 911 special facility, as defined in 47 C.F.R. § 4.5(e).

This report includes:

- a. The date and time of the onset of the outage,
- b. A brief description of the outage and its resolution,
- c. The particular services affected,
- d. The geographic areas affected by the outage,
- e. Steps taken to prevent a similar outage in the future, and
- f. The number of customers affected.

(If applicable, a copy of the FCC outage report that includes this information may be attached.)

5. The number of requests for service from potential customers within the designated service area that were unfilled during the past year. A detail of how the Company attempted to provide service to those potential customers is also included.
6. The number of complaints per thousand handsets or lines.

I hereby certify that the above information is true and correct and is submitted on behalf of the Company named below. The information is submitted in the year 2016.
