RE: Montana Dakota Utilities Co.
PU-17-295

Dear Mr. Hamre:

Enclosed for filing and docketing in the above captioned case are copies of the exhibit list consisting of exhibits number MDU-1-19; PSC-20-28; FEA-29-30; AARP 41-45; PSC 46-47; and MDU-50. There are gaps from exhibits 31-40 and 48-49. Also delivered to you for docketing are the above referenced exhibits which were lodged with the ALJ at the hearing, including one sealed envelope containing PSC-24(b) which contains confidential information filed under trade secret protection, a list of witnesses who testified live at the hearing by name and identifying information. Earl Robinson filed pre-filed testimony on behalf of MDU as did Sara Cardwell on behalf of PSC. They did not appear to testify in the live proceeding.

Also enclosed for docketing is a copy of the written order granting Montana Dakota Utilities' motion in limine to exclude evidence of a Montana gas rate settlement agreement. This written document memorializes the decision announced orally in a telephone conference on Tuesday, May 29.

There will be one late filed exhibit, MDU-51, relating to historical NSF check info requested by the commissioners at hearing. That late filed exhibit and MDU's brief are due on June 22. Staff and intervenors have until July 12 to file their responsive brief. MDU has until July 20 to file its reply to staff and intervenors' response briefs.
