RE: Revision 14 to Permit BNCR-9401

Dear Mr. Moos,

This submittal contains the information necessary for your review and approval of Revision 14 to Permit BNCR-9401. This revision will delete 15.24 from Section 8 T141N R83W. The deletion is being requested because the landowner will be using this location for a waste disposal facility. Please note that 0.3 acres of surface disturbance occurred in 2011 by the surface owner's contractor. This disturbance was not done by BNI and the area did not have any coal removal.

Thank you for your consideration of this matter. If you have any questions regarding this submittal, please contact me at the Center office.

Sincerely,

A handwritten signature in blue ink that reads "Karene M. Hall".
