RE: Mark Hove
Auction Clerk License Cancellation

On August 14, 2017, the Commission was notified that the auction clerk bond issued to Mark Hove, Sisseton, South Dakota, would be cancelled effective October 21, 2017.

On August 23, 2017, Mark Hove asked the Commission to cancel his auction clerk license.

I recommend that the Commission issue an order cancelling the auction clerk license issued to Mark Hove. A corresponding motion and order are attached.
