Capacity Reservation – Gwinner Pipeline
Tariff and Rates**

Case No. PU-17-346

NOTICE OF OPPORTUNITY FOR HEARING

September 20, 2017

On September 7, 2017, Montana-Dakota Utilities Co., a Division of MDU Resources Group, Inc. (MDU) filed an application to implement a Capacity Reservation Charge on their Gwinner Pipeline. The proposed tariff and associated rates would be applicable to any customer takings service either directly or through another connection to the Gwinner Pipeline

The issues to be considered in this proceeding are:

1. Are the proposed tariff additions and changes reasonable?
2. Are MDU's proposed rate schedules designed in such a manner that they result in a basis of charge to its customers that is just and reasonable without discrimination?
3. Other relevant information or proposals concerning the proceeding.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by November 6, 2017.** If deemed appropriate, the Commission can determine the matter without a hearing.
