RE: Henry Biewer
Auctioneer License Cancellation

On July 3, 2017, the Commission was notified that the auctioneer bond issued to Henry Biewer, Lidgerwood, North Dakota, would be cancelled effective September 8, 2017.

Henry Biewer asked the Commission to cancel his auctioneer license.

I recommend that the Commission issue an order cancelling the auctioneer license issued to Henry Biewer. A corresponding motion and order are attached.
