RE: Diamond W Feeds, Inc.
Discontinue Business

On November 24, 2017, the Commission received a Request to Discontinue Business from Diamond W Feeds, Inc. for its grain warehouse at Medina, North Dakota. The grain warehouse was sold to Dakotaland Feeds, LLC of Huron, South Dakota. Dakotaland Feeds currently has one other grain warehouse at Glen Ullin, North Dakota that has a licensed capacity of 114,500 bu. Dakotaland Feeds has completed their grain warehouse application for Medina and once issued, they will have a total licensed capacity of 252,500 bu.

Diamond W Feeds has no outstanding storage obligations and all remaining inventory was sold to Dakotaland Feeds.

I recommend the request be approved. A corresponding motion and order are attached.
