**NOTICE OF NONCOMPLIANCE**

**RE: Case No. PU-17-397  
Arrow Field Services, LLC  
Arrow Bear Den Gas Processing Plant II - McKenzie County**

The Commission's March 14, 2018, Findings of Fact, Conclusions of Law and Order in Case No. PU-17-397 issued First Amended Certificate of Site Compatibility No. 54 for the location of a natural gas processing plant in McKenzie County, North Dakota.

**As-built GIS data**

Paragraph 32 of the Certification Relating to Order Provisions, attached to and made part of the March 14, 2018, Order, requires that the Company provide the Commission an electronic version of the approved site and an electronic version of the as-built facility design specifications within 3 months of the completion of the construction. It appears the Company has not filed this GIS mapping data and is in noncompliance of the Commission's Order.

Staff requests the GIS data be filed with the Public Service Commission by February 25, 2022, to avoid further action due to noncompliance.
