RE: In the Matter of Otter Tail Power Company's Application for Approval of Tariff Changes to Facilitate Implementation of a New Customer Information System Case No. PU-18-106 Compliance Filing

Dear Mr. Nitschke:

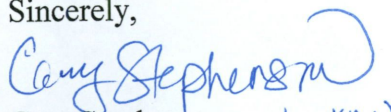

On June 28th, Otter Tail Power Company (Otter Tail) submitted a filing to notify the Public Service Commission of the implementation of a new Customer Information System (CIS) which is scheduled to go into operation on January 1, 2019. Supplemental filings were made on August 21st and August 29th in order to provide updated information to the initial filing.

Concurrent with this filing in Case No. PU-18-106, Otter Tail is making a compliance filing in its rate case (PU 17-398) following the Commission's Order on Settlement dated September 26, 2018. Both filings requiring changes to tariff sheets with the same effective date of January 1, 2019.

For purposes of clarity and efficiency, Otter Tail is making a single filing in its rate case compliance filing that contains updated tariff sheets from both PU-18-106 and PU-17-398. Please refer to the upcoming compliance filing for PU-17-398 to see legislative and non-legislative revisions to the tariff sheets from PU-18-106.

Otter Tail is available to provide any additional information or respond to any questions you may have. An original and 7 copies are being sent via mail. Feel free to contact me at (218) 739-8956 or email me at cstephenson@otpco.com.
