**Re: In the Matter of Otter Tail Power Company's Application for Approval of the Annual Rate Update to Rate Schedule, Section 13.07, Transmission Cost Recovery Rider
Case No. PU-18-329
Case No. PU-17-398
Case No. PU-18-106
Compliance Filing**

Dear Mr. Nitschke:

Enclosed please find an original and seven (7) copies of Otter Tail Power Company's (Otter Tail) Compliance Filing in the above-referenced matters.

On December 6, 2018, the North Dakota Public Service Commission (Commission) issued its Order approving Otter Tail's request for approval of the annual update to its Transmission Cost Recovery Rider in Case No. PU-18-329. Attached to this letter is a Non-Legislative version of page 1 of the Transmission Cost Recovery Rider, Section 13.05 (Tariff Sheet), which reflects the Commission-approved rates and updated footer. The effective date on this rate schedule is January 1, 2019. Modifications in this revision of the tariff sheet were provided from cases PU-18-329, PU-17-398 and PU-18-106, all with the same effective date, so all three case numbers will be included in the footer with the associated approval dates. This compliance filing will be filed in the associated cases for reference.

An electronic copy of this filing is being sent to you at dnitschk@nd.gov and to the North Dakota Public Service Commission at ndpsc@nd.gov.

RULES AND REGULATIONS: Terms and conditions of this tariff and the General Rules and Regulations govern use of this rider.

LC

APPLICATION OF RIDER: This rider is applicable to electric service under all of the Company’s retail rate schedules.

C

COST RECOVERY FACTOR: There shall be included on each North Dakota Customer’s monthly bill a Transmission Cost Recovery charge, which shall be calculated before any applicable municipal payment adjustments and sales taxes as provided in the General Rules and Regulations for the Company’s electric service. The following charges are applicable in addition to all charges for service being taken under the Company’s standard rate schedules.
